

I Promise To Spend My Life With You

By Christina Ruiz

I know our journey is not perfect, nor are we,
But it's ours. And I promise to stand by your
Side every step of the way through the ups and
Downs, rough the good days and the bad days,
Every rise and every fall until the very end.

I don't care what people think or say about us
Or how complicated things get between us. All
I want is to spend my life with you.

You're my best friend. My forever. My one true love
The one who makes me complete and I love you endlessly.
